Dear Jeff:

I received your complaint MUR 6572 re: Democratic Party vs Danny Tarkanian. TLC is a California Partnership and I am the managing Partner. The donation provided to Danny was only \$500.00 during this cycle and it did not come from my corporation that this letter is printed on it came from our Partnership TLC. That is the same partnership that I have given political contributions to numerous Candidates over the last 20 years.

If you have any other questions please give me a call.

Sincerely,

Tal Cloud

President
